Campus

America is faced with a crisis. The heart of the trouble lies not in a divided city, a desolate wasteland, a native uprising. The problem, and the answer to this problem, will be found in America's educational institutions. The present generation will determine the scope; our generation will determine the outcome. We dedicate the 1962 Interlachen to the fulfillment of the American Dream.

Ordway Arts Vista.

View of the Panhellenic Building on Lake Hollingsworth.

Interior patio of the Panhellenic Building.

The newly renovated Harvard Hall and our beautiful Panhellenic Building provide the residences which we as students deem our home away from home. Life is a mixture of knowledge and activity. Activity begins here. Here we become a fulfilled individual. Here we live in harmony with our fellow students and bring forth our social side.

Looking out from a Harvard Hall Balcony.

Remodeled Harvard Hall.

Within our Chapels, we realize the existence of a being greater than man. It is here that we come to seek life's purpose. Here we know that every sight we see attests the living presence of our God. Here we put aside our mundane worries in search of divine guidance. It is here that we ARE.

Looking out from the Hindu Temple into the Garden of Meditation.

Individual thought makes individual greatness. The Garden of Meditation is the student's refuge from the rigors of a hectic schedule. Here we pause to think, and as we think, so we are.

The Polk County Science Building.

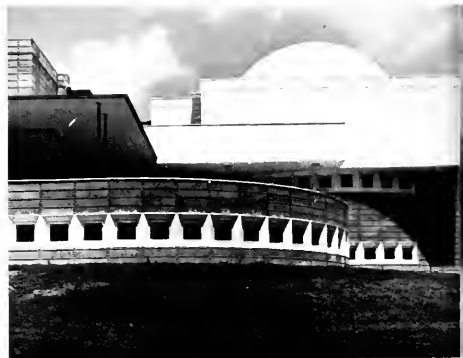

In our science building we seek the answers to nature's problems. If we fail here, we fail not ourselves, but our country. The scientific student is America's asset. The luxuries we enjoy are the products of countless hours of research by scientific individuals. Here we prepare for the future. Here we ask WHY—and the answers are found.

The extended walkway on the northwest side of the science building.

A backward glimpse reveals our forward progress. Over the years this campus has been threatened with many seemingly insurmountable problems, only to rise again, stronger and wiser. The history here determined the present; your presence here determines your future; the future here determines the value of your diploma.

The search for knowledge.

Student at work in the Library.

Within our distinctive buildings, the search for Truth goes on. It is an endless quest, with each new class realizing the vastness of its proportions. The E. T. Roux Library has become the center for our endeavors. The volumes of books are a perpetual testament to the intellectual searchings of man. No greater monument exists.

Aluminum columns at the Science Building.

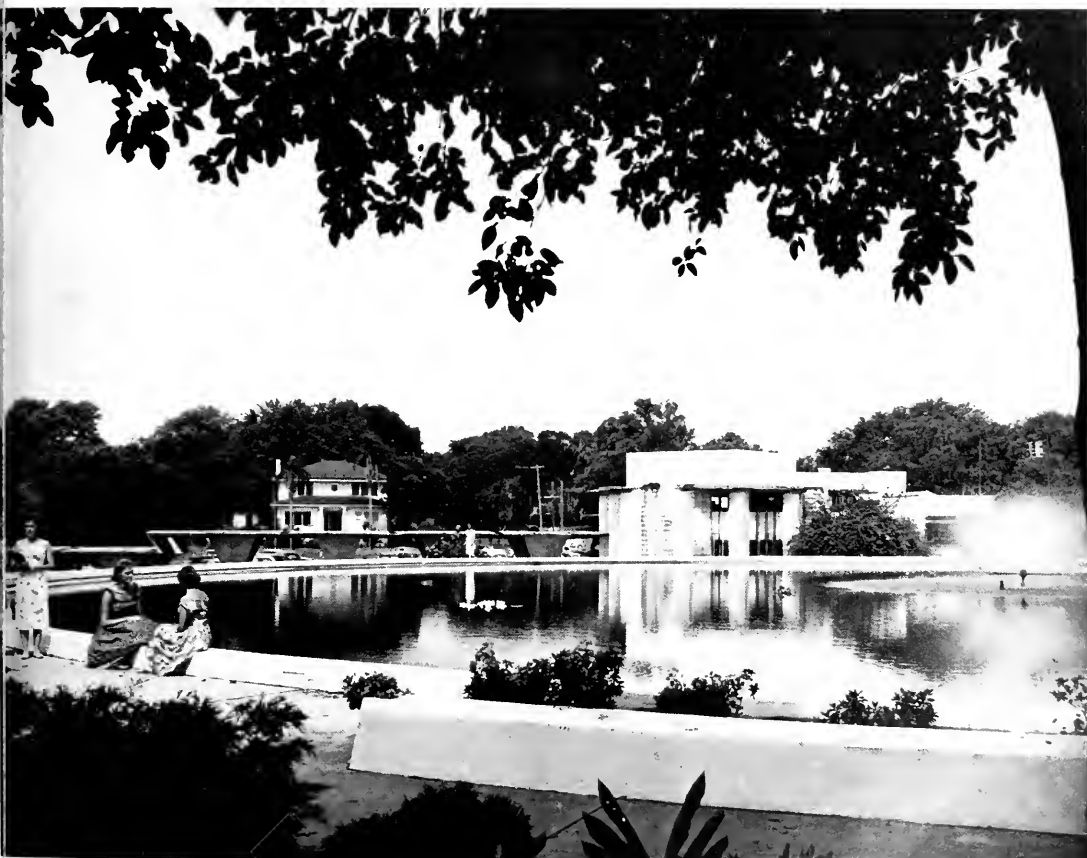

Our West Campus, designed by Frank Lloyd Wright, has earned Florida Southern the title of the "first truly American Campus." We are indeed fortunate to be studying within the works of America's architectural genius.

Esplanades give protection and beauty.
As we gaze off into space . . .

At Florida Southern and America's other institutions, the New Frontier is a challenge to each of us. The knowledge we gain is the measure of our future. It is only by the accumulation of mass knowledge that our country can survive in a world of ignorance. The realization that what has taken man millions of years to evolve can be destroyed in a day is stimulant enough to strive for personal greatness. And personal greatness begins here.

FEATURES

FEATURES

*The feature of any College
is the student and his infinite need . . . Expression*

"How much did you say AT&T stocks fell?"

The candid subject is the real subject; the student off-guard is a personality captured. At our leisure, at play, in contacts with our fellow men, we express our feelings with our faces. We rest, we play, and in our relaxation we reveal ourselves as we are. This section is devoted to the student, as he is; a personality.

The Thinker, 1962

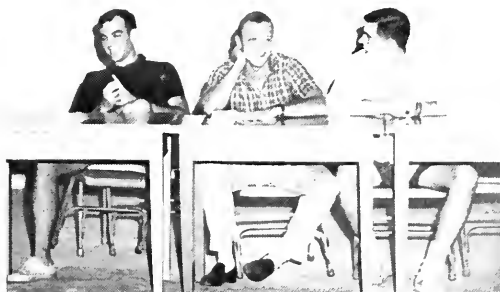

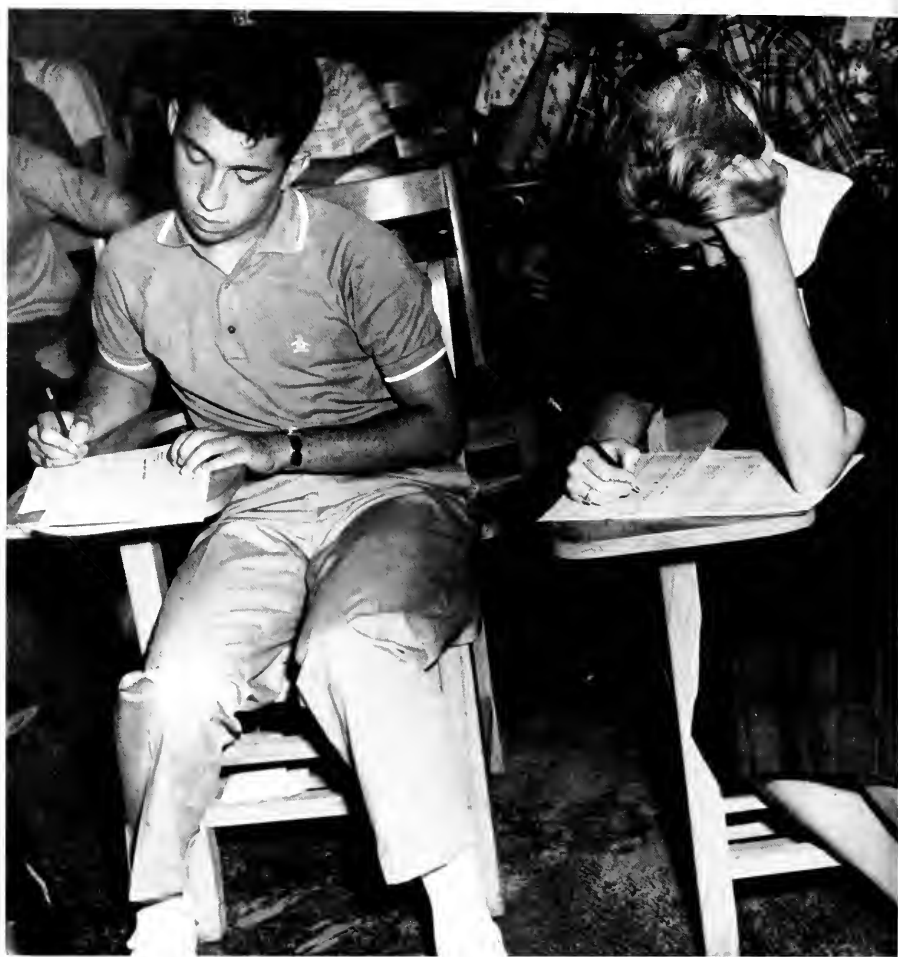

Students on the sidelines view the performance of others.

"Come on you guys, stop laughing and tell me her name."

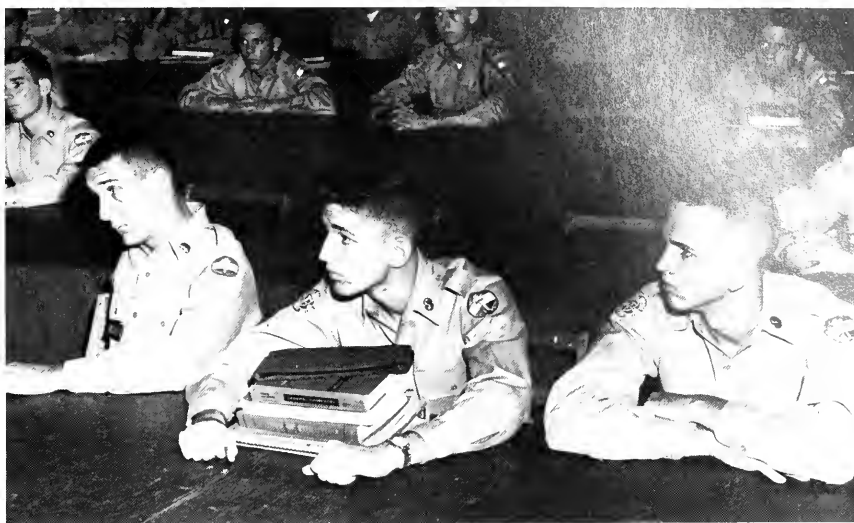

Often times a crowd, with its mingled personalities, assumes an identity of its own. But every crowd has an essential ingredient; individuals.

New students are shown taking entrance examinations.

The most important aspect of any college is the academic progression of the student. Our perpetuation of knowledge means a better world for all of us. To a great extent, our nation depends upon its institutions as educators. And if we fail in our duties, we fail not only ourselves, but our fellow men. If we succeed, success is its own reward. No institution is any greater than the products it produces. In this section, we look at the student at study, an academic individual.

"... so there I was cadets, lost in the jungles of..."

"It's not that I don't KNOW my father's name, I just can't remember it now."

Putting out a college newspaper is difficult work.

Vagabond productions draw residents as well as students.

Without the creative genius of the artist,
man would still be a primitive species.
The combination of art and science has brought
man forward in his search of life's
mysteries and pleasures. We, as students, feel
the need for accomplishment, and our artistic
efforts produce this fulfillment.

Organ lessons in Annie Pfeiffer Chapel.

Adding those finishing touches.

The ability to make objects of beauty immortal by artistic reproduction has inspired artists since cave man's early endeavors.

Woodwork proves interesting.

Skill in handling ceramics.

College and community unite in worship at the beautiful First Methodist Church.

"How about that, we won."

Man is endowed with one body and one mind. Each must receive attention for the proper function of the whole being. Here at college the varied athletic program affords students the opportunity of body development. A well-developed student is one mentally and physically alert.

Intramural athletics develop muscles.

Poolside enjoyment.

Water skiing is a year-round sport enjoyed on the sparkling waters of Lake Hollingsworth.

Campus leaders frequently address the student body.

Men by nature seek their fellow men for social companionship. Some will arise as leaders, others will follow them. They will organize into groups and work for that group. Here we find the inherent emotion of man, his love for others. With this in mind, we take a look at the social side of our student life.

Democracy guarantees us the right to vote

T. B. Committee members discuss progress of the drive.

Organizing the society for the Advancement of Management.

Students above are doing the Twist, nationwide dance craze.

The student is at his most relaxed when socializing with others at the many parties held throughout college life. Dancing and conversation bring together couples who eventually marry. One thing's for sure; we all love a party.

Rush is an essential element of social activity.

"... so my group brushed with ... , say, that's my foot you're on."

But I only have eyes for you.

Typical freshman situation: boys' eyes on girls, girls' eyes on door.

Special Christmas features included the freshman dance held in Joseph-Reynolds' new Rustic Room. Many "teas" were held to celebrate the holiday season.

The holiday season brings a special warmth of emotion to students as thoughts of home and friends left behind create an atmosphere unequalled throughout the year. Dances, parties and the exchanging of presents heighten the Christmas spirit. Then, when vacation finally arrives, we spend two unforgettable weeks—HOME.

BEAUTIES

Al Capp

MISS INTERLACHEN

Al Capp, famous creator of L'il Abner, Daisy Mae, and his other unforgettable characters, served as judge of the Miss Interlachen contest of 1962.

The staff of the Interlachen is grateful to Mr. Capp for again taking on this difficult assignment. Beside being one of the most famous cartoonists of our time, Mr. Capp is recognized for his interest and assistance in civil and civic

affairs. He has served on President Eisenhower's People to People Program, and was national volunteer chairman of the Sister Elizabeth Kenny Foundation.

It is with sincere appreciation to Mr. Capp that the Interlachen announces with pride Miss Interlachen and beautiful members of her court

Alpha Delta Pi has had another wonderful and outstanding year with many activities and honors. First came pledging, winning first place in the Kappa Sigma Olympics, our Halloween Dance, socials with fraternities, the Greek Sing with SAE, and Diamond Dust Weekend. We were honored to have six fraternity sweethearts: Mindy McInturff, Sigma Alpha Epsilon; Ellie Jost, Sigma Chi; Lynda Abinanti, Kappa Alpha Rose; Barbara Danner, Lambda Chi Alpha Crescent Girl; Madeline Hagstrom, Sigma Chi Pledge Sweetheart; and Marti Cox, Delta Sigma Pi Rose. We have the ROTC Band co-ed spon-

sor, a cheerleader, two Senate members, plus membership in every campus organization. Close to our hearts are our sweetheart, Don Tabb; our devoted housemother, Mrs. Hodgskin; and our wonderful faculty adviser, Miss Mayrose. This summer at the Alpha Delta Pi National Convention, Gamma Gamma Chapter of Alpha Delta Pi won three awards: "the chapter with the most activities and honors," a leadership award, and the award for "best correspondence." Our motto, "We live for each other" will lead us on to greater and richer experiences in Alpha Delta Pi."

Kappa Alpha

Gamma Pi Chapter

Kappa Alpha Order was founded at Washington College in 1865 under the guidance of our beloved spiritual leader Robert E. Lee. The Order, with its noble Southern heritage placed its 83rd chapter here at Florida Southern College to continue its ideals of chivalry toward "God and Womanhood" and to mold men of proud distinction. The annual week-end is a traditional spectacular with beards, ante-bellum costumes and filled with the glory of the "Old South." . . . At the beginning of the year Miss Lynda Abinanti was elected our cherished KA Rose. . . . The Kappa Alpha Order will stand as long as the ideal of traditional chivalry is alive.

Kappa Sigma

Theta Alpha Chapter

For over 550 years the spirit of brotherhood has existed in the heart of all Kappa Sigmas. This same spirit has existed among our members on Southern's Campus since our founding in April, 1959. As we look back on the past year we see a most successful rush, our fun filled Olympics, "Star Dust Weekend," winning the intramural sportsmanship trophy, and above all the scholarship trophy for the highest scholastic average of all Greek fraternities on campus. Kappa Sigs are found in many activities: Psi Chi, Pi Delta Epsilon, OAK, Greek Hall of Fame, Political Union, MSGA, and members on all Varsity Inter-Collegiate Sports.

. . . Our year would not have been complete without our wonderful housemother, "Mom" Williams, and our lovely sweetheart "Barbie" Hamm. . . This past year has been a good one for Kappa Sigma, but the future holds even more promise.

Phi Sigma Kappa

Omega Triton Chapter

The Omega Triton Chapter of Phi Sigma Kappa was founded on the Frank Lloyd Wright campus on April 2, 1950 by a group of men interested in promoting its three Cardinal Principles—"Brotherhood, Scholarship and Character." Although small in number, our well knit group prospered early in the year and jumped to front page headlines as we sponsored our First Annual All Campus Pep Rally and Sock Hop before the first home basketball game. . . . Phi Sig was active in many organizations . . . intramural sports, Civitan, Vagabonds, Pi Delta Epsilon, UCCF, Student Government, advanced ROTC, concert band and choir, Political Union, and Delta Sigma Pi. We can look back on happy events such as the crowning of our Moonlight Girl Lani Weston. . . . Christmas party. Those and other things too numerous to mention fill our hearts with warmth and joy as we come to the end of another unforgettable year.

Such a successful year could not have been achieved without the energetic efforts of our lovely Dream-girl—Peggy, we appreciate what you've done beyond words. . . . Forty-four years later Beta Beta Chapter of Pi Kappa Phi was founded at Florida Southern College on October 16, 1948, by a group of veterans who were interested in an organization that would be different and yet have a brotherhood unmatched. To this day those 17 men with the help of over 200 who have graduated as Pi Kappas are helping this fraternity remain one of the top organizations on campus. Our representation in activities on campus include the president, secretary and historian of Delta Sigma Pi; president of Pi Gamma Mu; vice president and treasurer of Beta Beta Beta; Phi Mu Alpha; S.F.E.A.; Advanced ROTC; Sweethearts of Alpha Chi, Alpha Gam, Tri Sig, and Zeta. On November 12, 1949, SAE was founded on Florida Southern's campus and thus began to build men of leadership, character, intellectuality, and a brotherhood second to none. . . This year of 1961-1962 certainly was no exception to SAE's past participation and leadership in ac-

tivities, sports, and scholarship. . . The All-Sports Trophy, Co-Sponsor of the Greek Sing, the annual Christmas and Sweetheart dances are a few ingredients that made up another top ranking year for Florida Gamma. . . We were blessed with a wonderful sweetheart, Mindy McInturff, and a warm and understanding housemother, Mrs. Smith. . . Sigma Phi Epsilon

Florida Delta Chapter

As another year comes to its end the brothers of Sigma Phi Epsilon look back on another year filled with pleasant memories, and the close bond of brotherhood. Well remembered are the brothers on varsity athletic teams, the intramural trophies, the many social events and the fulfillment of our fraternity ideals. We also remember the start of our alumni board, and the wonderful cooperation of our Alumni Director, Mr. Claude McCullough. Again we must thank our wonderful housemother, Mrs. Lober, for providing us with a home away from home. Also we must thank our sweetheart, Miss Marylou Pfeffer, for representing us in such a wonderful manner. The members of Sigma Phi Epsilon also acknowledge those brothers who have received campus honors. With so many fond memories Sigma Phi Epsilon will always remain the fraternity with a heart.

Tau Epsilon Phi

Tau Rho Chapter

Tau Rho Chapter of Tau Epsilon Phi has enjoyed the fruits of another banner year at Florida Southern . . . from our beautiful new fraternity house overlooking scenic Lake Hollingsworth, we have watched a handful of men, bound together by their belief in the ideals of friendship, chivalry, service; their genuine belief in God and Brotherhood among all men, pass proudly through our portals of graduation and into the future of our fraternity. As Brothers we recall with pride the dynamic leadership and inspiration of Chancellor, Marc Halpern . . . Tony Davidson Greek Hall of Fame and Treasurer of the Inter-Fraternity Council . . . our lovely sweetheart, Miss Nancy Fasenfeld, who faithfully carried out the traditions of that position . . . and most of all the undying maternal efforts of our housemother, Mrs. Helen Bruggner. All of this, spotlighted by weekends, houseparties, and the most fabulous all-campus TEP HOP on record will long be remembered by the men who have been part of the truest fraternity of them all . . . The Southerneers was founded in March of 1956. Through our six years of existence on campus, we have participated in all of the areas of college life! In 1957, we won first place in Kampus Kapers. Our Christmas displays and Founder's Week Floats have always been projects to be proud of. This year we have a new adviser . . . Dr. C. M. Laymon. The high spirit of the Southerneers will carry us through many years to come. The purpose of the Southern-

eers is to afford and guarantee Christian brotherhood among its members; to raise its members to the fullest of their capacities, and to elevate their cultural standards; to render service to our school, community, state, nation, and fellowman; and to enter into the various fields of college life, among them: political, social, physical, spiritual, and intellectual programs.

The Interfraternity Council promotes the betterment of the College through the improvement of the social fraternities. Representatives from each fraternity on campus comprise the group, which strives to equalize the opportunities of the various fraternities. Activities of the Council include the co-sponsoring with the Panhellenic Council of the annual Orientation Week dance and the Christmas dance. It also sponsored the first annual Greek Week this year.

Women's Rush

With the new deferred rush system at Southern, fashion shows, receptions sponsored by Panhellenic, and the Cap and Gown Bermuda Party were held previous to rush to help new coeds get a preview of the sororities and their functions. Open houses, teas, and banquets are also a part of rush activities.

Men's Rush

Open houses provide first opportunities for fraternity men and new students to socialize. The deferred rush system on trial this year has proved successful in many ways in helping the academic standings of the Greeks. Parties and banquets are also a part of rush activities for men.

Varsity Basketball

Coach Tom Greene's hoopsters showed FSC students and the people of Lakeland some fine basketball this year. Although finishing with a 12-13 record, the Mocs continually thrilled the crowds with their exciting play.

Spirit, hustle and determination kept Southern "up" for every game. Over-all balance was perhaps the trademark of this year's squad, since any one of the men could, and did, go into a ball game without particularly lessening our chance for victory.

The play of Ed Kershner, Mack Mullis and Ricky Duncan was brilliant at times. Freshmen John Wells and Joel Ledlow showed to be fine future prospects. The team defense this year was more aggressive; this "little bit extra" won a few ball games for the Mocs this season.

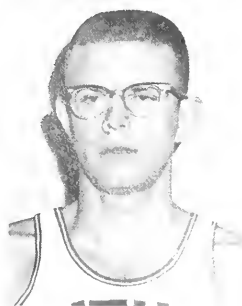

With only the loss of Capt. Hank Feldman and reserve Jerry Eaton, Southern should look forward to a profitable campaign next year.

The 1962 Interlachen Is Dedicated

To Dr. Bernhard Paul Reinsch

professor of mathematics, who for thirty years has shared his wisdom and the richness of his experience with our College. As an outstanding authority in the field of mathematics, he has patiently enlightened and inspired hosts of young minds while providing fine example and leadership in education for his colleagues.

The 1962 *Interlachen* expresses its appreciation to the following business concerns, whose interest and co-operation have helped to make possible the publication of this year-book of Florida Southern College.

The editors and business managers respectfully urge that friends of the College examine the advertisements of these firms and individuals, and call upon them for service at every possible opportunity.

INE PRINTING SINCE 1887—

That's the story of Foote & Davies, Inc.

Today we have one of the most modern and best equipped plants in the country. And fine Yearbooks have always been an important part of our business. Our craftsmen believe in quality and strive to produce the "best in the Industry." Our excellent printing doesn't just happen—it's a combination of production research, craftsmanship, and painstaking supervision.
